

SANDY WEIR PHOTOGRAPHY

STUDIO & LOCATION PORTRAITURE | April 2012

Our portrait Creation Fee is only £75 and covers between 1 and 2 hours of hours of photography time, followed by picture editing and the creation of a special preview show. Creation Fees are payable at the time of booking a session. At the preview show you may order as many or as few of your favourite images as you choose. We would respectfully ask that all parties involved in the decision making are in attendance and suggest that it is best to allow an hour for the viewing.

We take pride in supplying bespoke framed prints, inclusive of digital enhancements where necessary and offer a range of products from Desk Portraits on photographic paper through to canvas Wraps for a contemporary touch. We also offer specially designed Coffee Table Books as a cost-effective way to display all your favourite images. Alternatively, should you wish to purchase the entire session on disc for the fully-finished, printable JPEG files the cost is only £465.

Due to the custom nature of our finished products we ask for full payment along with your order; this can be made by cash, cheque or card.

MONEY BACK GUARANTEE

In the unlikely event that you don't like your images, we will offer to return the full amount of your pre-paid Creation Fee.
